Note: Weighted filings for 1990 and 1995 were derived from the 1987-1993 district court time study by the Federal Judicial Center (FJC). For 1990 and 1995, criminal data include reopens and transfers of felony defendants. For all other years, Criminal filings exclude reopens but include transfers. Civil cases reopened, remanded, or transferred to the district courts by order of the Judicial Panel on Multidistrict Litigation are excluded.

¹ Authorized judgeships for 1990 - 2011 include territorial courts, although data for these courts are not reflected in the total weighted filings per authorized judgeship. Territorial courts are excluded from the district court case weight studies.

² Beginning in 2002, supervised release hearings were included in weighted filing totals.
